Q16. Write the synonyms of the following words .
fortunate, hurt, sure, worry, purchase, drowsy.

Q17. Read this passage and answer the following questions .

The Constitution of India came into effect on 26th January 1950 and therefore this day is celebrated as the Republic Day every year. The Republic Day is celebrated throughout the country with great enthusiasm and vigor. A grand parade is held in New Delhi near the Rashtrapati Bhavan, along the Rajpath, past the India Gate and on to the historic Red Fort. The events of the day begin with the Prime Minister laying a wreath at the Amar Jawan Jyoti, commemorating the soldiers who sacrificed their life for the nation. The president unfurls the National Flag of India and the National Anthem is played with 21 gun salute. Following this, a brief ceremony takes place where the President honors soldiers from the armed force for their exceptional courage and awards those civilians whose acts of bravery in different situations distinguish them from the rest. The President takes the salute of the marching contingents of the Army, Air force, Navy, Paramilitary forces, Police and the National Cadet Corps.

Answer the following questions .

- When did the Constitution of India come into effect?
- When do we celebrate the Republic Day ?
- Where is the grand parade held ?
- How does the event of the day begin ?
- Name two monuments mentioned in the passage .

MATHS

Topic : Decimals

- Write each of the following as decimal:
 - Twenty three and fifteen thousandths
 - Forty seven and six tenths
- Write the decimal in words: 9.004
- Write the following as decimals:
 - $\frac{3}{2}$
 - $\frac{2}{5}$
- Represent the decimal number on number line: 2.5
- Write it in decimal form : $30 + 6 + \frac{2}{10}$
- Write each of the following: fraction as decimals:
 - $\frac{785}{100}$
 - $\frac{1359}{1000}$
- Which is greater and why?
 - 1.431 or 1.439
 - 5.64 or 5.603

- 8) Express as :
- Rupees (RS) - 350 Paisa
 - meters(m) - 135 cm
 - centimetre(cm) - 60 mm
 - kilogram(kg) - 3555 m
